Ultimate in foot lovin' delights. Two teenage looking gum-drops play a terrific foot erotica game by inspecting one-another's toes, soles, and ankles while nervously giggling and smiling. Different colored socks become instruments of excitement, to the viewer and to the girls, as slim fingers and dainty hands put them on and take them off little-girl feet. The tops of the socks are rolled, mussed and sexily positioned around the slim ankles. Mila sexily devours Dara's feet with soaking mouth and exploring teeth.
